OFFICERS TO BE APPOINTED.

Speculation As to Who Will Lead Utah Volunteers to the Front.

The governor has not yet made public the names of the officers who will go to the front with Utah's volunteers.

Up to the present the only forthright appointment which has been given in publicity is that of R. W. Young as captain of artillery. It is stated, however, that the places have already been partitioned out among prominent gunsmen.

The impression prevails that Brigadier General Willard Young will lead the two batteries as major, and that Colonel F. A. Grant will be given the captaincy of the Ogden battery. The
